

Environmental Policy

We at R&R Contracts – Renovation & Refurbishment Specialists Ltd are conscious of our social responsibilities with regards to helping the environment through our working practices. Our objective is not only to sustain our environment for our descendants but also to rehabilitate the damage previously done. We believe that our corporate responsibility goes beyond our proprietary borders and therefore every effort will be made to conserve resources throughout our operations.

R&R Contracts – Renovation & Refurbishment Specialists Ltd will try to not only meet existing environmental laws and regulation but will endeavour to go beyond the status quo and see techniques and approaches that position us ahead of our competition.

Following are our specific ideals:

Awareness and Commitment

Our policy towards the environment will be readily available and promoted to our employees and contractors. We will endeavour to ensure employees and contractors are familiar with and implement our environmental commitment and objectives.

Practical Implementation:

- ✓ R&R Contracts – Renovation & Refurbishment Specialists Ltd environmental policy will be available to view on our website.
- ✓ R&R Contracts – Renovation & Refurbishment Specialists Ltd will have a copy of our environmental policy on every site for employees and contractors to read.
- ✓ R&R Contracts – Renovation & Refurbishment Specialists Ltd will have a copy displayed in our Head office.

Transport

R&R Contracts – Renovation & Refurbishment Specialists Ltd will endeavour to reduce the impact on the environment wherever possible with respect to transport.

Practical Implementation:

- ✓ Seek and employ local products and services to reduce transport costs.

- ✓ R&R Contracts – Renovation & Refurbishment Specialists Ltd will avoid unnecessary travel and will use energy efficient vehicles and driving styles.
- ✓ Encourage the use of public transport, cycle or foot.
- ✓ To eliminate unnecessary and inefficient use of R&R Contracts – Renovation & Refurbishment Specialists Ltd owned motor vehicles, and wherever possible, that of other vehicles used by contractors. Wherever possible carpooling will be implemented.

Waste Generation and Management

R&R Contracts – Renovation & Refurbishment Specialists Ltd will try to minimize the production of waste and pollution; including unnecessary packaging. R&R Contracts – Renovation & Refurbishment Specialists Ltd will implement measures to reduce the volume of waste generated and to increase the proportion of that waste which is recycled.

Practical Implementation:

- ✓ R&R Contracts – Renovation & Refurbishment Specialists Ltd use reputable waste removal companies that follow our principles of recycling where possible and minimising the amount of waste not recycled.
- ✓ R&R Contracts – Renovation & Refurbishment Specialists Ltd will use specialist and verified contractors for removal of specialist waste.

Materials and Resources

R&R Contracts – Renovation & Refurbishment Specialists Ltd will try to minimize environmental impact with regard to sourcing materials and resources.

Practical Implementation:

- ✓ R&R Contracts – Renovation & Refurbishment Specialists Ltd will avoid using materials which have an undesirable effect on the environment, and wherever possible use locally made recycled goods.
- ✓ R&R Contracts – Renovation & Refurbishment Specialists Ltd will only use FSC certified timber so we are confident that it has come from a sustainable supply chain.
- ✓ R&R Contracts – Renovation & Refurbishment Specialists Ltd will try to use contractors who also share a commitment to the environment, and

- take into account lifetime costs of materials when repairing, altering or rebuilding premises.
- ✓ R&R Contracts – Renovation & Refurbishment Specialists Ltd will maximize use of electronic communication and information storage as an alternative to paper, and take into account the environmental quality and impact of products and to purchase materials which have been sourced locally.

Natural Environment

R&R Contracts – Renovation & Refurbishment Specialists Ltd will help to protect and enhance natural habitats and wildlife, take appropriate opportunities to enhance them and be sensitive to landscape issues. Look to minimize impact on local wildlife, and to look for opportunities to work with the local community in caring for the local environment. R&R Contracts – Renovation & Refurbishment Specialists Ltd will endeavour to be aware of local planning developments and take appropriate action where these are potentially damaging to the environment.

Thank you for helping us to help the environment.
